## Let The Praises Ring

*"Stand up and praise the Lord your God, who is from everlasting to everlasting."*

These words from Nehemiah 9 are a reminder that we are called to praise God, not only as individuals, but as the body of Christ.

Let the Praises Ring recognizes the joy, comfort and strength we have in knowing that we are not alone in our faith walk. Our faithful God walks with us, and so do other Christians. It's wonderful to be in the family of God! He calls us to work together to bring His love to a hurting world, and to lift up our voices in collective praise. Please join us! We pray that you will be blessed and encouraged.

**Date: Thursday, March 24**

**Time: 7:30 PM**

**Place: Trinity Reformed Church

## ANOTHER SEASON OF SPELLING

Congratulations to Pamela Veldman on winning our ICES Spelling Bee at the end of January. Kimberlee Vroom came in a close second. Our club met twice a week at lunch times starting in November to prepare for this friendly competition. On Saturday, February 12th, Pamela Veldman will compete in the Lethbridge Regional Spelling Bee to be held at the Yates Memorial Theatre (probably at 1 pm like prior years, but no confirmation was obtained by the time of printing). The general public is encouraged to attend. Hope to see lots of new and returning faces to our club next year! We will have a wind up pizza party on Tuesday, February 15th for all regular attending club members.

## Science Fair @ ICES

Once again Grade Five is planning a Science Fair. Students have selected questions of interest and are busy with designing and carrying out their experiments. Documenting their observations and recording their results, these amateur scientists will have many findings to share. Soon they will find creative ways to display their work and conclusions on the giant Science Fair board (usually available at Staples). The Science Fair promises to be good.

Students will be judged in the morning until 12:00. Then the public is welcome to view displays from 12:00 to 2:00 and then projects may be taken home. Grade 5 students will participate in some Science Olympics events from 2:00—3:15 p.m.

You are invited to come and observe the Fair, which will be held on **March 31, 2011** beginning at **12:00 p.m.**

Mrs. M. Kamper  
Mr. R. Lieuwen

More information and a detailed schedule will be in the next newsletter. Starting after the mid-winter break (February 21-25), students will be working through various research stages as part of their Social Studies program. Due to the grade 9 scheduling, this year the History Fair will only be mandatory for grades 7&8. Any grade 9 students who would still like to participate should see Mr. Visser. We are once again looking forward to the Fair as it provides a unique learning opportunity for students.

## “MOTHERS WHO CARE”

The “Mothers Who Care” prayer group meets at the High School every Thursday at 9:00 a.m. to intercede on behalf of our students, staff, families and community. Please feel welcome to join us in this new semester as we come before our God in prayer.

## REMINDERS

- ⇒ When your child is absent from school, please contact the front office first thing each morning. This can be done by phone or by email at [ICHSoffice@gmail.com](mailto:ICHSoffice@gmail.com). This is very important because with our Maplewood system an absent student automatically receives an unexcused absence until we are notified and change it.
- ⇒ Please send a note with your son or daughter if they are going to be late or if they need to be excused early for any reason.
- ⇒ The school cannot authorize the taking of holidays on school days. Please make sure that your child obtains and completes all homework missed when they return.

## BAND UPDATE

Please continue to pray for the band program and all its benefits to our students. Thank you for your support.

### *Fair Trade and Hot Meals...*

During the week of January 17-21 the Grade 10 Social Studies students had an opportunity to visit the Ten Thousand Villages store in downtown Lethbridge. The Social 10 students are studying the topic of "Globalization" and the notion of economic prosperity for all. The representatives of the store were able to share with students the concept of "Fair Trade" and the notion of respecting and giving a voice to laborers in 3<sup>rd</sup> World countries.

On Monday, January 24, Mr. Visser's Social Studies 10-1 and 10-2 classes went to the Lethbridge Soup Kitchen to prepare and serve lunch for 130 visitors. While there, the students did a great job of taking the initiative in performing their tasks. The visit gave students a chance to interact/serve some less fortunate members of our society and critically think about the strengths and weaknesses of the programs we have in place for helping these members.

## CHOIR UPDATE

ICHS Junior and Senior High Choirs have had an eventful first semester and second semester will have just as many exciting performances happening. We started our year with a great 1 day workshop with Scott Finch and the Resonant Choir from Briercrest. Scott really helped us start our year off with a bang! Early in the fall the Senior High Choir sang at a Benefit Concert for Streets Alive held at Maranatha Christian Reformed Church. This resulted in an invitation for the Junior High Choir to sing at the Mayor's Prayer Breakfast at the Lodge, which was really cool for the kids to be able to participate in. Shortly thereafter, Senior High was invited to sing at College Drive Community Church - again a positive experience. In December we had our annual Band /Choir Christmas Concert- this was great fun and very well attended. Mr. D.K. always does a great job as M.C.- Thanks Duane! Two weeks ago the girls from the Senior High Choir sang "O Canada" at the local Hurricane Hockey game - with Mr. Hockey- the great Gordie Howe in attendance. Wow - how do you top that?!

This semester is again going to be busy. March 3<sup>rd</sup> is, of course, our Participation Dinner here at ICHS, where the Senior High Choir will be singing a few songs. On Saturday, March 19<sup>th</sup>, the Senior High Choir will be singing at the **Moja Moja Concert** at the E-Free Church at 7:30 p.m. This is going to be a wonderful concert where all the proceeds go to Compassion Canada - Child Survival Program. Also performing in this concert will be Global Drums from the U of L. If you are interested in attending - tickets will be available at the school - call Audrey at 403-328-4783 for more information. After that both choirs will be singing in the Kiwanis Festival; Senior High Choir and Band will be attending Spring Musicale - a 2 day trip to Three Hills Prairie Bible College to sing and play with 200 other students from around the province. We top off the year with our final concert in June.

Thanks so much to everyone for your generous support and encouraging words. It is always great to witness through music how great our God is!

Mrs. Elsie Eelhart

# SENIOR HIGH - STUDENTS OF THE MONTH

## December

**Grade 10 - Kaylee Wever** is very deserving of this award. She consistently works hard on assignments and has taken ownership of her academic progress. Kaylee has good relationships with her classmates and teachers as she is an excellent communicator and demonstrates respect towards others. Finally, Kaylee's strong character and willingness to give others the benefit of the doubt makes her a positive contributor to our school atmosphere. Great job Kaylee!

**Grade 11 - Cassidy Taekema** Since her long-anticipated return to our school, Cassidy has modeled enthusiasm for learning to her peers and teachers by participating animatedly in class discussions every day, completing all assignments diligently and on time. An accomplished artist, Cassidy has created original works to display in the classroom as visual aids for learning. Cassidy exudes the joy of learning every day and is a natural choice for Student of the Month. Congratulations, Cassidy!

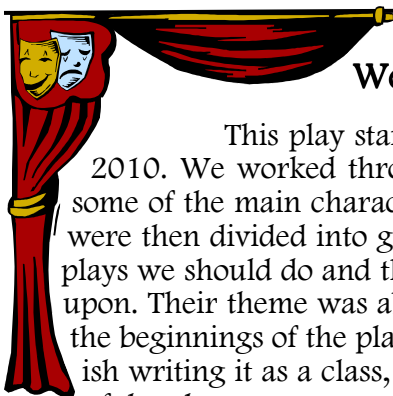

**Grade 12 - Dylan Van Zeggelaar** comes to class with a sincere attitude and an open mind, always ready to learn and not afraid to ask questions. Dylan is mature, respectful and pleasant in both class and one-on-one discussions; he is also diligent in completing his assignments. Congratulations, Dylan, you definitely deserve recognition. Keep up the good work!

## January

**Grade 10 - Richelle Tams** has started the 2011 calendar year very well. She is an open and friendly student who works very hard in her classes. Richelle's fun loving nature and enthusiastic approach have helped her make a good transition to the High School. Richelle is also very involved in co-curricular activities (music, sports etc.) and is having a positive impact on our school culture. Keep it up Richelle!

**Grade 11 - Frank Martens** is a diligent worker in all of his classes, and he seeks to understand and master the subject material. The staff enjoys having Frank for a student because of his great attitude, his effort and his polite manners. He has a quiet, unassuming way about him, but this does not prevent him from achieving his goals or from helping others. Frank is well-liked by his classmates as well; they appreciate his positive attitude, his kindness and his *frankness!* Keep up the good work, Frank! Congratulations!

**Grade 12 - Rachel Groenenboom** The keyword that comes to mind when we think of Rachel is 'diligence.' Rachel's assignments are always completed on time and very thoroughly, with detail and thoughtfulness. Rachel's gentle nature makes her a joy to teach and an example for all of her classmates. Congratulations, Rachel! You are an exemplary student and we are proud of you.

### We wrote it. We're getting ready to perform it —

This play started as a script-writing project for the Drama 10/20/30 class in the Spring of 2010. We worked through the idea of holding a play at a Medieval fair. As a class, we fleshed out some of the main characters and discussed some of the things that could happen to them. The students were then divided into groups with different assignments. The Drama 10's were to decide which Bible plays we should do and they were to come up with a theme, which the whole of the play could be based upon. Their theme was about the sovereignty and power of God. The older students were to script write the beginnings of the play. They also created many of the characters. We ran out of time, and didn't finish writing it as a class, so I took the best of their ideas, which gave me a good start, and wrote the rest of the play.

**We hope to perform "A Coward's Confidence" for three nights: May 18, 19 and 20.**

Come join us at the fair! Save your coins. The choir and others will be fund raising, so there will be places to spend your money (at the food booths, from a real potter, and even throwing "refuse" at the poor thief in the stocks).

Mrs. Suzie Dalton — Drama Teacher

## JUNIOR HIGH ATHLETICS

### Basketball

The JH Basketball season has come to an end with a total of 48 League and 43 Tournament games being played by our four teams. The B teams were coached by Jesse Dyck (girls) and Brennon Paluck (boys) who did an excellent job in teaching fundamentals, teamwork, and what it takes to compete in the always competitive LSAA League. The A Girls, coached by Mr. Forster, were in a rebuilding year, after winning the last two LSAA City Championships. The A Boys were mentored by Mr. DK/Mr. Degner who finished strong and tied for second in League standings. Preparing our athletes for that next level is something our coaches are always striving for and this year was no exception. (Complete LSAA/South Zone Playoff results will be available in the March 18 newsletter)

Kudos go out to our coaches who again took time out of their busy schedules to mentor/coach our JH athletes, teaching skills, and providing encouragement.

Also, thank you to our scorekeepers (Jaylen Korver, Bryan Van Belle, Zach Hampton, Sammy Hampton) who can always be counted on to do a great job.

Thank you to Joel Groenenboom who has officiated JH Basketball for the past number of years and has been a mainstay as a whistleblower on the hardwood.

Thank you to Lesa Procee for coordinating the Concession Schedule and making sure everything runs smoothly.

Thank you also to our parents who helped out in the Concession, drove players to/from practices/games, and offered support throughout the season.

The bottom line in athletics is to allow our JH athletes' faith to grow in Christ through their participation. Building Christian leadership, reflecting Christ to the secular community, and pursuing a godly character through participation in athletics are all goals we hope to achieve in our program and we thank our athletes for doing just that both on and off the court.

### Badminton

Birdie bashing will begin soon with after school practices beginning on March 7. A practice schedule will be forthcoming. The annual LSAA Doubles Tournament will be held on April 15, as our school teams prepare to compete in that tournament.

Students are reminded to supply their own badminton racquet for PE classes.

Mr. Terry VandeGriend  
JH Athletic Director

## Kaitlin's Wish

It's been a busy few weeks since we first introduced you to [Kaitlin's Wish](#) in the last newsletter. Since then, over \$200,000 has been raised for the water project in Uganda, by many different people across the world.

Another fundraiser currently going on is the sale of Kaitlin's Wish t-shirts. All profits go to Kaitlin's Wish, and you can purchase one of these bright green t-shirts by contact Mrs. Moedt at [mmoedt@immanuelcs.ca](mailto:mmoedt@immanuelcs.ca), or visiting the [Facebook page](#). Cost is \$15 each, and an order will be put in at the beginning of next week.
